

VIPER

GPS Tracking System

Stolen Vehicle Tracking Service for 1 full year is included with every tracking device

No additional activation charges or monthly service fees.

- PLAN 1
 ▼ Professional Stolen Vehicle Recovery: Some GPS tracking competitors make you do the stressful work of coordinating with police to recover a stolen vehicle - not Viper GPS Tracking Systems.
- ▼ Nationwide Stolen Vehicle Tracking, not Regional. Don't be fooled! Some tracking devices do not use GPS, so they work only in LIMITED markets.
- ▼ Stolen Vehicle Shutdown: A unique feature that allows the authorities to recover a vehicle safer and faster! Not available from well-known systems sold by automotive manufacturers.

Safety and Security Service Plan

Includes all the features of Plan 1 Stolen Vehicle Tracking plus:

- PLAN 2
 ▼ Locate or track your vehicle on the web with full-color maps: On demand or at a specific date and time using a scheduling tool.
- ▼ Unlock your doors by phone or the web.
- ▼ Roadside Assistance: Towing, tire change, out of gas; up to 6 events per year and 50 miles per tow.
- ▼ Intelligent notifications of alerts via telephone voice, e-mail, and pager (home, office, cell).
- ▼ Parental Notifications: Turn on Overspeed Notification and receive alerts if vehicle is speeding excessively.
- ▼ 30 uses per year. (Additional use packs available online)

Ultra Service Plan

Includes all the features of Plans 1 and 2 plus abundant communications transactions for active users:

- PLAN 3
 ▼ 150 uses per year. (Additional use packs available online)

Additional terms apply. See your Subscriber Agreement for details.

GPS Tracking System

Stolen Vehicle Tracking

Stolen vehicle tracking is included with every Viper® GPS Tracking System for one full year, with absolutely NO activation fee or additional service fees required. If this is the only functionality you desire, then everything you require comes in the Viper GPS Tracking System box. However, the system can do much more, and UPGRADED SERVICE PACKAGES ARE AVAILABLE.

Any-time Vehicle Tracking

With Viper® GPS Tracking System's two Upgraded Service Packages, you can do amazing things! Find your vehicle whenever you want on a full-color, interactive Internet map, or use GPS Tracking System's simple-to-use Voice User Interface to track your vehicle with a phone call! ANYTHING YOU CAN DO ON THE WEB WITH VIPER GPS TRACKING SYSTEM YOU CAN ALSO DO OVER THE PHONE.

Largest Nationwide Coverage Available!

Coverage Area: Actual coverage may vary. Aerial has the right to alter coverage based on cellular availability.

Remote Control Commands

Viper GPS Tracking System can work as a stand-alone system, but it is also an ideal add-on to any Viper ESP2 security* or remote start* system. Did you forget to lock your vehicle at the airport? Now you can lock and unlock your doors or arm and disarm your vehicle by phone or over the Web—FROM ANYWHERE IN THE WORLD!

Parental Control

Viper GPS Tracking Systems have features to protect your vehicle... and your family including easy-to-use overspeed notifications. Turn on the Overspeed Notification feature and receive alerts of excessive speed via e-mail or phone.

* Viper ESP2 security and remote start systems sold separately; additional parts or labor may be required. Remote Start intended for use in fuel-injected automatic-transmission vehicles only.
