

The danger is real.

So is the demand.

Helps you see children or obstacles behind SUV's

One child a week is killed as a result of backover incidents in the U.S.* As the number of backover incidents grows, so does the demand for products like the Vizualogic® HindSight® BackUp Monitor System. HindSight improves the driver's field of vision by minimizing blind spots BEHIND THE VEHICLE.

When reverse gear is selected, HindSight's camera sends a wide-angle view of the area behind the vehicle to the monitor.

HindSight

BackUp Monitor System

Patents Pending

HindSight® BackUp Monitor System

Features:

- High resolution color camera
- Stealth-mounted camera won't be knocked off or stolen
- 3.5" full-color TFT reverse image monitor
- All wiring and hardware included
- Your choice of vehicle-specific, OEM-styled monitor housing or universal monitor that can be used on any vehicle
- Easy-to-operate push button monitor controls

Monitors

Choose a vehicle-specific or universal monitor option:

Option 1: Vehicle-specific monitor kit includes housing that matches your vehicle's interior.

Cadillac/Chevrolet/GMC Models

Ford/Lincoln Models

2003-up Hummer H2 Models with sunroof only

Option 2: Universal monitor can be used on any vehicle. Adhesive-backed monitor can easily mount to any windshield.

All Models

Specifications:

- 3.5" full-color TFT reverse image monitor.
- Easy-to-operate push button monitor controls.
- Dual input monitor provides the option of viewing other input devices such as navigation systems.

Cameras

Choose a camera option:

Flush-Mount Camera

Camera is flush-mounted into your car's rear bumper.

Pedestal Camera

Camera is bolted on the underside of your car's rear bumper.

GM Hitch Bracket Camera

Flush-mount camera attaches to our supplied bracket, which is mounted above the trailer hitch.

- Camera is small, lightweight, weather-resistant, waterproof and captures low-light images.
- The flush-mounted camera is difficult to steal or knock off.
- All wiring and hardware included.
- Pedestal-mounted camera provides more options for installation.
